

North American Shagya-Arabian Society

August 10, 2007

Dear Owner of a NASS-registered horse,

This letter is to let you know that you don't need to take any action regarding your horse's NASS registration in order to maintain it. The North American Shagya Society Registry of Purebred Shagyas, Part-Shagya-Arabians, and Part Shagyas will continue as the Shagya Registry in North America which is recognized by and is a member of the International Shagya-Arabian Society (ISG).

Our NASS Registrar continues to be Carol D. Neubauer, Box 225, Delphi Falls, NY, 13051, telephone 315-662-3662. If you have any questions about your horse's registration status, transfer of ownerships, etc., please feel free to contact the NASS Registrar. You can also find out more information on the NASS website: www.shagya.net.

The NASS will be publishing an edition of our newsletter, the "Shagya News", and we will mail you a complimentary copy which will also contain NASS membership information in case you would like to join NASS and enjoy the benefits of NASS membership. (You can also find a membership form at the NASS website.) We hope you will consider this letter and the complimentary newsletter as a cordial invitation to do so!

If you have further questions about NASS please feel free to contact NASS Information officer Gwyn Davis at the address below.

Sincerely yours,

Gwyn Davis, for the NASS Board of Directors
