

N.A.S.S.

North American Shagya-Arabian Society

The North American Shagya-Arabian Society, (NASS), was founded over 20 years ago as the North American branch of the Purebred Shagya-Arabian Society International (ISG), the European-based international society supporting the preservation, improvement, and promotion of the Shagya-Arabian world-wide through shared international standards of quality control. NASS remains the **ONLY** American Registry for Shagya-Arabians recognized by ISG. For more information about the **North American Shagya-Arabian Society** please contact our Information Officer Gwyn Davis at (317) 665-3851 or visit our website www.Shagya.net
