

North American Shagya-Arabian Society

Dear NASS Members,

The BOD has made the decision not to affiliate with the NASHR. The enclosed Concerned Member letter and letter from NASS Attorney Thad Huse explains why. Please call if you have any further questions.

Included with this letter you'll find nomination forms for NASS President. Please return your nominations to Gwyn Davis by August 27th.

With regards to NASS Regional Directors, NASS has added a 5th region to better represent the members geographically. (Please see the map on the reverse side of this letter.) These Regional Directors are elected by the NASS Members within their regions and serve as full Members on the NASS Board of Directors for a term of three years.

The newly-added Rocky Mountain region and the East Coast region have Regional Director openings at this time. If you live in one of these regions a nomination form has also been included with this letter. Please return the nomination form to Gwyn Davis by August 27, 2007 so that NASS can have elections prior to the Annual Member meeting which will be held on September 15th, 2007. The newly-elected Regional Directors will take office immediately prior to this member meeting. Please contact NASS Information Officer Gwyn Davis if you have further questions. Gwyn Davis 9797 Rangeline Road, Clinton IN 47842, gwyn@starband.net

Sincerely,

NASS Board of Directors:

Gwyn Davis, President/BOD Member, NASS Information Officer
Lori Baker, Vice President/Northwest Regional Director
Arlene Michaud, Treasurer/BOD Member
Terry Hey, Midwest Regional Director/Assistant Registrar
Shelly Housh, Southwest Regional Director
