94 members with >450 registered horses

Activities and accomplishments in 2007-2008 have included:

- Revision of tax status in accordance with the US tax law requirements
- Unanimous member approval of bylaw revisions, increasing the board of directors from five elected representatives to nine elected members, with five regional and four “at-large” directors
- Yearly general and regional elections for the board of directors
- Restoration, revision and updating of the NASS website - [www.Shagya.net](http://www.Shagya.net) - to inform our membership of national and international events affecting the Shagya Arabian
- Development of performance standards for stallion approval
- Sponsorship of national award programs, with awards offered in distance riding, eventing, dressage, jumping, hunting, driving and breeding categories
- Advertising the Shagya Arabian in the USA Equestrian, the official magazine of the national US equestrian organization, with more than 80,000 readers
- Promotion of the Shagya Arabian at regional and national equestrian conventions
- Planning of a national membership meeting and exhibit in conjunction with the Arabian Sport Horse Nationals in fall, 2008.
- Completion of the first edition of the NASS studbook, covering the years 1986-2004
- Planning of the 2009 breeding approval inspection tour
- See reverse side for NASS approved and active stallions for 2008
