Farm News from Kerrigan Bloodstock in Eureka, California - Elaine Kerrigan

Well, finally got back from the AHA Region III Arabian Sport Horse Championship Show in Sacramento, CA... Whew!! What a long week! It was incredibly hot with temperatures in the high 90's and low 100's. Tough on us North Coast folks.

First day was to just get to the Sacramento area and unload tack and supplies. Temperature was 104!!!

Second day was to go to Sonora, CA (2 hours drive) and pick up three horses from the trainer. We watched them all work and then all were bathed and clipped. Then off to the show ground (another 2 hours) and meet up with the other two horses that were coming in from Eureka. Our whole group of people were Chris Bailey (owner of **KB Jull Fahim (KB Omega Fahim+++/(ox) X HC Wild Irish Rose)** and **KB Kalila Fahim (KB Omega Fahim+++/(ox) X Vessa)**), Sandra Spalding (owner of **KB Sawda (P-ShA-98-154) (Janos (ShA-98-154) X KB Salim Fahim (ox))**), Joan Clark (owner of **KB Shakami Fahim (ShA-05-236) ((KB Omega Fahim+++/(ox) X Shagya's SZASZA AF (ShA))** and Elaine Kerrigan (owner of **KB Omega Fahim+++/(ox)**).

KB Omega Fahim +++/(ox) & Chelsey Sibley

Third day and first day of the show, four of these horses showed "In Hand". Meg (**KB Omega Fahim+++/(ox)**) was tied for Champion in the Open Arabian Stallion championship class, but was awarded Reserve Cham-

pion. However, he got a "9" for his trot!!, with Elaine as handler. Joan showed Meg in the Amateur to Handle Arabian Stallion and was awarded Reserve Champion, too.

KB Omega Fahim +++/(ox) & Chelsey Sibley

Joan showed Shaka (**KB Shakami Fahim**) in the Amateur to Handle half Arabian Mare class and was Champion!! Elaine showed Kali (**KB Kalila Fahim**) in the Open half Arabian Mare class and was Champion, also!! Dressage trainer, Chelsey Sibley, rode Meg in a warm up class at Intermediate I and won. Sandra rode Syd (**KB Sawda**) in a training level test and had a good ride. So we were off to a pretty good start!!

Second day of the show was dressage for Meg, Jull (**KB Jull Fahim**) and Kali. Meg won the Championship for Intermediate I. Jull won the Championship for 4th level. Kali did well and finished in the middle of 16+ horses. Joan on Shaka and Sandra on Syd rode in the warm up rings to school and gain experience. On that evening, by request of the show management, Meg and Chelsey entertained the crowd with a Grand Prix Freestyle. This was Meg's first freestyle and he is just schooling Grand Prix. We were proud!!!

The last day of the show was more dressage. Meg won the Championship for Intermediate II. Jull won the Championship for Prix St. Georges. Kali was 4th in the First Level Championship. Syd was 7th in the Training Level Championship. Joan and Shaka enjoyed the warm up rings with successful schooling and gaining experience for next year. We were all tired!! But happy!!

Then it was back to Sonora for Meg and Jull and for Elaine to have a lesson on Kali before driving home to Eureka (10 hours). Joan and Sandra headed to Eureka without the Sonora side trip.

Meg and Jull will show at the California Dressage Society Championship show in October. I hope the weather is cooler!!!

Farm News from WitSend Shagyas in Cerrillos, New Mexico - Kathy Richkind

Sad news from Gretchen Aycock about **Shagya's Sprite AF (*Shandor x *Shagya II-2)**. "Mighty Spritey" has suffered a career ending injury to her SI joint (ruptured ligament). She will remain serviceably sound but unable to maintain her high performance career as a jumper, eventer and dressage horse. Spritey spent last winter in Dallas at Gretchen's sister's barn, where she ended the winter as the Children's Jumper Champion of the Dallas winter circuit. She came back to Albuquerque in the spring and Gretchen was preparing to show her at Third level dressage in our May show when the injury occurred – no one knows how or why.

Shagya's Sprite AF

She has been retired back to Dallas, where she will spend several months each year on pasture, and four-five months being ridden in the local hunt – I am sure this is Spritey's idea of heaven, but all her fans are very sad. Gretchen had used her as her lesson horse as well, and said that Spritey was know for taking impeccable care of any child rider, but her adult students had to really mind their p's and q's as she had little tolerance for their mistakes!

Sprite really was the epitome of the beautiful, versatile, clever and athletic Shagya and she had an equally talented and capable trainer and rider who loved competing with her. This is a loss for Shagya public relations as well as a personal loss for Gretchen.

On a brighter note, **WS Emilagra (*Shandor x Echo Daal)** has qualified again for USDF Regional competition at Training level.

We had hoped to qualify at First level too, but a short bout of a sore back and a mild case of dryland distemper (pigeon fever) kept us out of two shows so we will miss that goal this year. We plan on showing at First level from now on, and are working on some Second level movements.

continue →

Farm News ~ Farm News

Milagra's part-Shagya daughter **WS Elodie (Feuertanzer (ATA) x WS Emilagra)** has gone down to Gretchen's to start her under saddle work – if all goes well, Gretchen would like to show her in the FEI young horse classes next year.

WS Emilagra

Elodie is a very opinionated red mare (I blame the Trakehner half for that) but also very confident and very steady when she has been shown in hand (that is the Shagya half) – hopefully she will progress nicely and mellow out enough to become my next show horse – reports so far are good.

**NASS SPONSORED USDF ALL BREEDS AWARDS**

This year there are at least four Shagyas competing for the **NASS sponsored USDF All Breed Awards** – the biggest turnout yet!

For those of you who have not tried dressage training, it benefits horses in any discipline and Shagyas can be quite successful at it!

*Happy riding everyone!*

**Farm News from Two Buck Shagyas in Oxford, Georgia - Jamie Buck**

*Look out Southerners!* The Southeast is gaining 3 more Shagyas and 3 Shagya foals on the way!

After the NASS Inspections in Montana I will bring my three mares, **Echo Daal (Hungarian Bravo x Dolly's Echo (ox))**, **Felicity (\*Oman x May Folly (ox))**, and **Nina AF (Janos x \*Niobe)** home to Georgia.

**Echo Daal** and **Nina AF** have been bred to Frank & Arlene Michaud's Shagya stallions, **\*O'Bajan Spirit (O'Bajan XX (Pamino) x \*Gazal XV-5)** and **Felicity** is bred to **Rio Bravo AF (Janos x Rachele AA x Hungarian Bravo)**. So if everything goes as planned, by this time next year the Shagya population will again double at Two Buck Shagyas.

**\*O'Bajan Spirit**

In case some of you are curious and wondered how we came up with our farm name... Our last name of course being "Buck" - Charles and Jamie - hence the name "**Two Buck Shagyas**".

We are located just 4 miles from the Georgia International Horse Park and love the area. There is a horse show every weekend at the park! Right in our own backyard.

The weather this year has been favorable compared to last year's drought! We have had rain almost every week and our pastures are growing nicely. **Echo Daal**, **Nina AF** and **Felicity** are going to think winter will never come once they get here since our winter's are very mild and we hardly see any ice or snow compared to the Montana winters.

Charles has worked hard to ensure everything is just right before the girls get home. I don't know who is more excited.

*Now the fun really begins...*

**Farm News from Maple Ridge Sport Horses in Clinton, Indiana - Gwyn Davis**

**Shagya Sun (\*Shandor x \*Aminah)** showed again what we love about our horses. Sunny performed with a beginner dressage rider at a dressage show in Intro A and B and Scored 65% and 68.5% winning the class with many 7s and one 8 for free walk. He just went out and preformed like a gentleman. Check out our website for video of Shagyas [www.mapleridgesporthorses.com](http://www.mapleridgesporthorses.com) under sale horses.

~~~~~  
Farm News from Tanglewood Shagya Farms in Saint Ignatius, Montana - Frank & Arlene Michaud

Seems the summer has flown by with little time for riding this year. Frank and I stayed busy either putting hay up or getting our mares bred in addition to keeping up with everyday happenings on the farm.

This time next year we should have some very nice Shagya foals hitting the ground! **Bravana AA (Hungarian Bravo x TPR Shatana)** and **Alizabeth Abeyadh (Cosmos Whitner x Alisz Abeyadh)** are bred to ***O'Bajan Spirit (O'Bajan XX (Pamino) x *Gazal XV-5)**. **SW Naomi (*Oman x Tara Nazzett)** is bred to **Rio Bravo AF (Janos x Rachele AA x Hungarian Bravo)**. *SW Naomi's foal is already pre-sold!*

If all goes well we will be adding another exceptionally bred mare to [Tanglewood Shagyas](http://www.tanglewoodshagyas.com) - "**Shagya Sisu AF**" (***Shandor x *Shagya II-2**).

By this time next year, hopefully prior to foaling season, we will have more than a dozen horses moved and settled in Tennessee. We anticipate getting this move over soon.

We have some very talented horses and are very anxious about getting them in the ring and on the trails.

Rio Bravo AF

Hope you are all having a great summer!!

June 2009 ISG Meeting Report

NASS' ISG American Delegates Kathy Richkind and Adele Furby attended the ISG meeting in Northern Germany over the weekend of the 13-15th June 2009.

The meeting was held at an agricultural teaching facility, which made a good place for the meeting. On Friday afternoon and Saturday morning several lectures were given. A very good simultaneous translator was utilized so that those of us needing English translation could hear everything via earphones. Topics included raising and training endurance horses, current research on melanomas, breeding program used by the Holsteiner breeders, how to continue to develop a positive image for Shagya Arabians worldwide, and the ZSAA (newer German society) database and development and use of "breeding value" determinations which they have computerized and some of which is available over the net.

Saturday afternoon was horse exhibitions.

We saw a number of horses free jumped through a jump chute similar to the one NASS utilizes. (see photo)

The only main difference was that ZSAA uses a barrier at the end so that the horse also must stop rather quickly after the oxer.

The ZSAA also performed an inspection of a mare and foal to show how they do it.

ZSAA also presented the "interior test", a test which they have adapted from some "disposition tests" which have been developed in recent years. The "interior test" consisted of walking a horse in hand around the arena in which there were three stations with "tests". The first station consists of several striped streamers which are affixed to jump standards so that they flutter a bit while the horse is walking by. The second station is an area where a rattling sound is introduced as the horse walks by. The third station is an opened umbrella lying on the ground. The idea is that a judge observes how the horse reacts and makes comments accordingly. No scores are given, just a description of how the horse reacts to each object.

We also saw a *pas de deux* with a Spanish theme, a tandem pair whereby the rear horse was driven and the front horse was driven (see photo), a dressage ride featuring a lovely 5 year old stallion from Denmark (the only horse from the Nordic countries which was at the event), some demonstrations of horse activities you can use with kids in riding lessons, a Shagya going over some pretty impressive jumps, plus several other interesting ridden exhibitions using Shagyas. Certainly many of them showcased the great Shagya disposition!

Sunday morning was the ISG meeting. Most of the meeting this year was routine business, without much controversy. Unfortunately there was no translator for this meeting, so for those attendees who didn't speak or understand German it was not possible to follow the nuances of the discussions. Other Americans at the meeting were Shelley Housh and Hallie Goetz.

NASS Proposals to the ISG Board

1) NASS' first proposal requesting that if ISG were to allow more than one society per country, that the rule must apply to all and that there be no "exceptions": Basically, Al Samarraie summarized the BoD position that the ISG bylaws do not preclude having more than one society per country, and that the BoD wants to be an "umbrella organization for all ISG conforming societies, regardless of location," etc. Adele made the point that, while this may be true, several years ago the Delegate Conference passed by majority vote an Austrian proposal which maintains the "one country, one society" rule. So the delegates would have to vote to change this policy.

The other main point made by delegates and the BoD is that it would be impractical for an applying society to send its materials (studbooks, etc.) to all society delegates to review, and that other delegates don't want to have to review such materials anyway. They would rather trust the ISG BoD to make the decision. It was pointed out that when an application is accepted by majority vote, it is an acceptance **pending** the BoD reviewing their studbooks, etc., and finding them in compliance. Adele pointed out that in the case of ASAV last year, we **knew** that they weren't ISG compliant already, using the example of the stallion which had NOT been approved by NASS which is listed on the ASAV site as "approved".

NASS wanted this issue brought up and discussed during the conference but was not proposing that it be made into a resolution or voted upon.

After this topic was finished, a letter was presented by Mr. Nagel, who is very experienced and respected breeder and judge in Germany. His stated that his letter was in response to the NASS proposal, which he wrote when he received the info with the NASS proposal. He said that after living through all of the problems with two societies in Germany, he was in favor of the "one country, one society" policy.

2) NASS' second proposal regarding earmarking some of NASS dues for inspection expenses: Mr. Al Samarraie proposed to help NASS by paying for his transatlantic ticket for this tour. He suggested that NASS withdraw our proposal and NASS agreed to have it withdrawn.

3) NASS' third proposal to allow a member society to be represented by only one delegate was accepted favorably by both the BoD and the delegates. Main concern is that the delegate would need to be instructed by his society's BoD regarding the society's position on the agenda items, so that the delegate wouldn't be just expressing his own opinion rather than the opinion of the society he represents. Of course, we are in agreement with this concept and the ISG BoD suggested that they will try to generate appropriate language for this which could be presented and voted upon at next year's meeting.

Next year's meeting date is already set which will occur in conjunction with an International Championship Show at Piber, Austria, put on by the Austrian Association. It will be a combined Shagya and Lipizzaner show (Piber is where the breeding farm is for the Spanish Riding School, South of Vienna).

NASS' Newsletter Policy

NASS News is a tri-annual publication (or "newsletter") designed to keep NASS members informed on a timely basis of current news of the NASS organization, its members, & NASS' parent organization, the ISG. In years of NASS Inspections there will be a fourth issue dedicated to the Inspection and referred to as the "Inspection Issue". Other information of general interest to Shagya Admirers: such as articles on horse management, training, breeding, etc. can be included if space permits.

Advertising: The fee for the tri-annual newsletter for a half page ad will be \$35.00 and for a full page ad \$60.00. The discount for an annual ad (for a full year/ three issues) is \$90.00 for a half page and \$160.00 for a full page. The fee for the "Inspection Issue" is \$125 for a half-page ad and \$200.00 for a full page ad. NASS members may place Classified word ads in the newsletter at no charge (maximum 30 words). Non-NASS members can place Classified word ads for a price of \$15.00 (maximum of 30 words). All horses advertised for sale must be registered with NASS. All Shagya-Arabian and Arabian stallions advertised for breeding must be registered with and Approved for Shagya Breeding by NASS.

The Newsletter will include (but is not limited to) the following topics: Committee Reports, Clinics-Shows-Open Houses, Farm News (not to exceed 200 words in length), ISG News, HHA News, New Foals, New Horse Owners, New Members, Articles of Interest on horse management, breeding, etc. if space allows, *Classifieds: List of NASS registered horses for Sale, Calendar, and Half-page and Full page Advertising. *Sale horse information in the listing may include: name, sire & dam, measurements, age, color, markings, & level of training. Ads are limited to 25 words per horse. Prices are permitted for horses for sale.

The tri-annual newsletter and Inspection Issue will be assembled and edited by an Editor. Prior to Publication they will be reviewed by the NASS President (and the other BOD members as required) to insure appropriateness of the material. Letters, articles and advertisements from members reflect ONLY the opinion of the author and not of NASS. NASS cannot be held responsible or liable for ANY wrong or misleading information. NASS reserves the right to refuse anything submitted for cause.

Submissions to the Newsletter, including advertising and sponsorship should be directed to the Editor. Payment must be received before publication deadlines and should be made out to NASS noting reason.

NASS Basic Information: The North American Shagya Arabian Society is a 501 (c)(5) Non Profit Tax Exempt Organization and was formed in 1986.

Society Purposes are:

- Promotion, preservation and improvement of the purebred Shagya-Arabian Horse.
- Establishment of a Shagya-Arabian Registry for purebred and part-

bred Shagya Arabian horses.

- Regulation and approval of breeding stock.
- Dissemination of information about the breed to the public. Establishment of an awards system for performance achievement.
- Promotion and cooperation with Shagya Arabian breeders around the world, and in particular, with the International Shagya-Araber Gesellschaft (ISG).

The deadline for submissions in the next issue of NASS News is November 15, 2009.

Please forward all submissions to your Regional Director or any NASS BoD as noted above.
